New animals are born at intervals of 10 to 1000, depending on the animal's value. The number of new animals is determined by the animal's value.

## ST. ALBERT ON STURGEON PLAYERS

This week may we introduce you to the cast of the melodrama "Three for Jack Dalton".

Perhaps the most interesting character in any melodrama is the villain, and as Egbert Van Horn, Joost Weerheym plays a very mean villain. Playwright is St. Albert will remember his powerful acting as Papa in last fall's production "Papa is All".

The villainess of the piece, Anna Alvarez, is played superbly by Delores Knill, another member of "Papa is All" cast. Delores is a most versatile actress who always does a tremendous job of whatever character she is asked to portray.

The dear, tender heroine of our play you will take to your hearts, as Mildred Burton brings to life the part of Bertha the down-trodden girl. Mildred is an stranger to St. Albert residents. She is a Grade XII student at Paul Kane High School, and she was the winner of the competition to take the separate school in Grande Prairie. The Mildred Burton troupe is presented annually to the best Grade 5 student at St. George's Separate School. Mildred has studied speech arts and gained first class position in Grade 7 examinations.

The two scenes of the play are acted by two drama teachers in St. Albert. They

learn of the Paul Kane High School is Bertha's long lost brother, Richard, and last August of St. George's School as Jack Dalton, Bertha's lover, both perform admirably.

We are very pleased to have these two young men with us for the first time and hope that you will be seeing them in future productions.

Margaret Henry is the hardhearted Mrs. Dalton, lady of the house and mother of Jack. You may remember Margaret in the first play presented here, "Ladies in Retirement", and also in the farce

"White Sheep of the Family".

Mrs. Dalton has one more child, poor dear Eulise, a rather pitiful character, sadly abused by the villain, and you will be delighted with Gladys Smith's portrayal of this poor girl. Gladys is another newcomer to our group. A year ago she came here from Liverpool, England, where she participated in musical comedy.

Mildred Burton, our Assistant Director, has been working hard with the cast to provide melodramatic characterizations, but says that it really has not been hard work as she loves every rehearsal of this most amusing play.

"Three for Jack Dalton" by Willie Braun, is one of the best melodramas ever written and we urge you to come out and give the villain and cheer the hero. So, do enjoy it.

"The old nag!"  
(Delores Knill as Anna Alvarez and Margaret Henry as Mrs. Dalton.)

"I just love mustaches."  
(Gladys Smith as Eulise and Joost Weerheym as Egbert Van Horn.)

"Come away with me!"  
(Villain Joost Weerheym and heroine Bertha played by Mildred Burton.)
